Update on the New Royal Ottawa Hospital

January 7, 2005 – BULLETIN No 5

SITE PREPARATION for the NEW ROYAL OTTAWA HOSPITAL

This bulletin is the fifth in a series as part of our communications plan to inform staff, patients, volunteers, and the community about the re-development of the new Royal Ottawa Hospital.

PHASE 2

Beginning on **Thursday and Friday, January 6th and 7th, 2005**, the following site activities will be taking place:

- The **EAST-WEST road** south of the **Perley Building** will be **CLOSED** to traffic. The upper parking lot will still be available, but there will be detour signs to direct traffic around the Carmichael and Maintenance buildings to the upper lot. There will be flagmen on site at the east and west ends of the roadway to direct traffic.
- **SOUTH ENTRANCE DOORS** to the **Perley Building** will be **CLOSED**. There will be a guard stationed at the door to inform staff and clients of this closure.

TRANSITION FROM PHASE 2 TO PHASE 3

Over the **weekend of January 8th and 9th**, there will be several important changes made to the construction site:

- The **NORTH PARKING LOT** will be open on Sunday, January 9th. There will be no gates, but a security guard will be present to check parking passes until the parking gate is installed. The gate will be installed by Tuesday, January 11th.
- The **UPPER PARKING LOT** will be closed on Sunday, January 9th. Signage will be installed to direct traffic to the north parking lot.
- The **NEW MAIN MERIVALE ACCESS ROAD** will be opened.
- The existing Merivale Road gate into the parking area will be closed.
- New signage will be placed on campus indicating traffic flow, new parking areas.
